Do you require battery
operated lights?

Please be aware that it is your
responsibility to provide power to
the base area of the tree, however
we can help out with providing
battery operated lights if you have
no access to power in your tree
area. These will be an additional
cost of £30.00 + VAT.

NB: Battery lights only available
for trees up to 8ft.

P.S. Don't forget – we
always recommend
mains powered lights if
possible as these are
brighter and more
effective at making
your Christmas tree
look stunning!
